

- 2.3 For repairs outside the warranty period made by an authorised GME representative, we warrant our repairs to be free from defects in materials and workmanship for three months from the date of the original repair. We agree to re-repair or replace (at our option) any materials or workmanship which we are satisfied are defective.
- 2.4 We will investigate any complaint regarding our services made properly and in good faith. If we are satisfied that the complaint is justified, and as our sole liability to you under this warranty (to the extent permitted at law), we agree to supply those services again at no extra charge to you.
- 2.5 To make a warranty claim you must before the end of the applicable warranty period (see warranty table), at your own cost, return the goods you allege are defective.
- Before returning any goods, you will be required to follow the available options:
Contact our Customer Support Team on (833) 833-3046 or techsupport@gmeus.com
A customer support team member will troubleshoot and validate if your product is faulty. If so, they will email you a product RMA (Return Material Authorisation).
- Products that are authorised to be returned to GME must include the following:
- RMA form, fully completed
 - A copy of your proof of purchase
 - The faulty product, including all accessories

2.6 Send your claim to:

GME US Inc.
Union Terrace 12596 West Bayaud Avenue, Lakewood, CO, 80228
Telephone: (833) 833-3046 Email: techsupport@gmeus.com

- 2.7 If we determine that your warranty claim is valid, we will pay for the cost of returning the repaired or replaced goods to you and reimburse you for your reasonable expenses of sending your warranty claim to us.

- 3. What this warranty does not cover5**
- This warranty will not apply in relation to:
- (a) goods modified or altered in any way
 - (b) defects and damage caused by use with non GME products
 - (c) repairs performed other than by our authorized representatives
 - (d) defects or damage resulting from misuse (including use outside of the specifications or requirements applicable to the product), accident, impact or neglect
 - (e) goods improperly installed or used in a manner contrary to the relevant instruction manual
 - (f) goods where the serial number has been removed or made illegible
 - (g) consumable parts, such as batteries or protective coatings that are designed to diminish over time
 - (h) defects caused by general wear and tear

IN NO EVENT WILL GME BE LIABLE IN A CLAIM FOR BREACH OF WARRANTY FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE MISUSE OR INABILITY TO USE THIS PRODUCT OR FROM DEFECTS IN THE PRODUCT OR SERVICE. SOME STATES DO NOT ALLOW THE EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

4. Warranty period

- 4.1 We provide the following warranty on GME products. No repair or replacement during the warranty period will renew or extend the warranty period past the period from original date of purchase.

PRODUCT TYPE	WARRANTY PERIOD
GMRS Mobile Transceivers	5 Years (Excluding accessories)
GMRS Portable Transceivers	5 Years (Excluding accessories)
Antennas and Accessories	1 Year (Unless otherwise stated)

Congratulations on your new GME product.

You've joined a community that celebrates the spirit of adventure and has a passion for world-class radio communications equipment.

GME is a proud Australian brand with a heritage and reputation that is second to none in the field of radio communications products, emergency beacons and wireless devices.

XRS-BT1-U Quick Start Guide

XRS™ Connect Bluetooth® Interface Module and Wireless PTT

The full Instruction Manual can be downloaded from www.gmeus.com

Introduction

The XRS-BT1-U is an interface module providing full Bluetooth® audio connectivity and wireless PTT (Push-to-Talk) functionality to the full range of XRS™ Connect GMRS Radios.

Bluetooth® audio connectivity allows the XRS-BT1-U to wirelessly connect to an extensive range of third-party audio accessories plus compatible vehicle audio systems, providing users with new and improved ways to stay connected.

The adjustable steering wheel clamp provides a simple mounting solution for the IP67 wireless PTT button and also provides access to the battery without the need to remove from the steering wheel.

IMPORTANT INFORMATION CONCERNING GMRS RADIO

FCC Regulatory Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC RF Exposure Warning

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance between the radiator and your body of 0cm (XRS-PTT-U) and 20cm (XRS-BT1-U). This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

IMPORTANT: UPDATE RADIO TO LATEST FIRMWARE

XRS™ Connect app

The GME XRS™ Connect app is the easy way to customise, update and maintain your XRS™ Connect radio. To download the free XRS™ Connect app for iOS or Android go to the App Store or Google Play and search for ‘XRS™ Connect’.

Pairing

To pair your Smart Device with your XRS™ Connect radio, open the XRS™ Connect app, select ‘Radios’ from the menu. Locate your radio in the list and press. If a previously paired radio is found it will automatically connect. Your Smart Device will now pair with your radio and the  icon on your radio will change to  to show that the Bluetooth pairing is successful.

Once connected, select the ‘Read from Radio’ button to read your radio’s settings into the app. After you have configured your preferences in the app, select ‘Write to Radio’ to update your radio with your new settings.

HOW TO PAIR BLUETOOTH® DEVICE TO XRS-BT1-U

1. Turn the Bluetooth On for the MC66x and the headset.
2. Press on the **MENU** button from the MC66x.
3. Select the **BLUETOOTH** setting option from the MC66x menu.
4. Check the **VISIBLE DEVICES** option to see the Bluetooth device name.
5. Click on the required Bluetooth device name and click on **CONNECT**.
6. Then go to the **PAIRED DEVICES** and the Bluetooth device name should be visible.
 - a. In the same screen, next to the Bluetooth device name, there should be an asterisk (*) next to the name as illustrated in the below Figure 4 marked in red circle.
 - b. A Headset symbol should appear on the top right-hand side of the MC66x main screen as illustrated in the below Figure 4 marked in red circle.

NOTE: The Bluetooth® connection between your smart device and your XRS™ Connect radio must be made through the XRS™ Connect app. You will not be able to pair your smart device to your XRS™ Connect radio using the normal Bluetooth settings option on your smart device.

XRS™ Connect radios are compatible with iOS and Android.

HOW TO UTILISE WIRELESS PTT BUTTON

1. Turn the Bluetooth On for the MC66x.
2. Press on the **MENU** button from the MC66x.
3. Select the **BLUETOOTH** setting option from the MC66x menu
4. Select the **VISIBLE DEVICES** option and press and hold the **XRS_PTT** button until you see **XRS_PTT** appear.
5. Click on the **XRS_PTT** and click on ‘Connect’.
6. Then go to the **PAIRED DEVICES** and the **XRS_PTT** should be visible.
 - a. In the same screen, next to the ‘XRS_PTT’, there should be an asterisk (*) next to the name.

Figure 4: MC668 Connected to the BT headset

MAIN WIRING AND CONNECTION

Note: The XRS-BT1-U must be connected directly to the XRS™ Connect radio as per the below illustration.

WIRELESS PTT AND STEERING WHEEL MOUNT

GME LIMITED WARRANTY AGAINST DEFECTS

This limited warranty against defects is given by GME US Inc., a Wyoming corporation with an address at Union Terrace 12596 West Bayaud Avenue, Lakewood, CO, 80228 (We, us, our or GME).

Our contact details are set out below. This warranty statement only applies to GME products purchased in the United States and only to the consumer who originally purchased the product (“you”) from GME or an authorized reseller of GME products. It does not extend to any subsequent owner or other transferee of the product.

Please contact your local GME distributor for products sold outside of the United States. Local distributor details at www.gmeus.com

1. Consumer limited warranties

This limited warranty gives you specific rights with respect to GME products you have purchased in the United States. You may also have other rights which vary from state to state, as well as through certain retailers. For a full understanding of your rights, you should consult the laws of your state or locality.

OTHER THAN AS INCLUDED HERE, TO THE EXTENT PERMISSIBLE, WE EXCLUDE AND DISCLAIM ALL OTHER CONDITIONS, WARRANTIES AND REMEDIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, STATUTORY REMEDY OR OTHERWISE.

2. Warranty against defects

- 2.1 We warrant our goods to be free from defects in materials and workmanship for the warranty period (see warranty table) from the date of original sale (or another period we agree to in writing). Subject to the terms, conditions and requirements set forth below, including with respect to our procedures for making a qualifying warranty claim, we will at our option, either repair or replace goods which we are satisfied are defective. We warrant any replacement parts for the remainder of the period of warranty for the goods into which they are incorporated.
- 2.2 To the extent permitted by law, our sole liability for breach of a condition, warranty or other obligation implied by law is limited.
 - a) in the case of goods we supply, to any one of the following as we decide –
 - (i) the replacement of the goods or the supply of equivalent goods;
 - (ii) the repair of the goods;
 - (iii) the cost of repairing the goods or of acquiring equivalent goods;
 - b) in the case of services we supply, to any one of the following as we decide –
 - (i) the supplying of the services again;
 - (ii) the cost of having the services supplied again.
